

What is going on at your Local Cooperative?

St. Clair Energy Department Up coming items:

In April we mailed out our annual LP Gas safety letters to over 1700 customers.

In late May we will be mailing out to our LP customers an offer to contract their LP needs for September 2011 – April 2012.

In June we will be offering again to set up a 10, 9, or 8 month payment plan for our Home Heat LP Customers.

In August we will be sponsoring a used oil drop off day.

DID YOU KNOW?

Those of you that contracted **Gasoline** with us in Jan – Feb 22nd 2011 compared to 5/2/2011 prices **are saving 84 cents a gallon.**

Those who contracted **Diesel fuel** with us in Jan – Feb 22nd 2011 compared to 5/2/2011 prices are **saving from 50 to 74 cents a gallon** (depends on B11 blend, Dyed, Clear, or Straight diesel fuel) and prices still continue to rise.

St. Clair Crops Department Update:

It is looking more and more like 2009 year with this rain we keep getting. Thus this spring will be fast and furious as the weather breaks and we dry out and tractors hit the fields all at the same time. St. Clair Service Company will do everything it can to get you what you need and when you need it. Communications in these fast and furious times will be key! If in doubt on availability of your needs – please call us ahead of time and let us know what you need so we can make sure it is done and done on time. The more we know ahead of time about your needs the better we will be able to respond to your needs.

DID YOU KNOW?
